Article IV: Membership and Dues - paragraph 6 now reads:

The annual adult standard membership dues are as follows:

Local	\$12.00
USBC adult standard membership	\$15.00
Total	\$27.00

Change to read

Local	\$15.00
USBC adult standard membership	\$15.00
Total	\$30.00

Reason for the change

For the past 8 years, nationals have allowed local associations to increase dues up to \$15. We have locally been able to function without an increase. With the decline in membership and the cost of operating, at this time we are in need of an increase to continue to provide the same level of service to our members as we have in the past.
